Support for Türkiye-Syria Earthquake

We would like to express our deepest sympathies to victims affected by the recent earthquake which struck the Türkiye-Syria border region and sincerely hope for the earliest possible recovery of the affected areas.

NIPPON CORPORATION (President and COO: Toshiya Maezuru; Head Office: Chiyoda-ku, Tokyo) has decided to donate a total of 12 million yen through organizations including the United Nations World Food Programme (WFP) and the Japan-Turkey Society to support relief and recover efforts in the afflicted regions.

In addition, we have co-sponsored "Turkish Cooking Class" with the Japan-Turkey Society since 1998 and we will jointly hold upcoming "Turkish Cooking Class" as a charity event for further support.
